

**To the Rector of
the Iuav University of Venice**

Credit transfer application form

I, the undersigned _____, born in
_____ (_____)

on ____/____/____; residing in _____

n° ____, postcode _____, city _____, country _____;

mobile phone _____;

email _____.

- With an integrated programme diploma (5 years) in

- Enrolled to a Master's degree programme in

- With a Master's degree obtained in

- With single course units certificate

require

the evaluation of my previous academic record for the purpose of validating credits as specified in the call for application or transfer to the master's degree programmes in Architecture and Urban Planning for Transition

For this purpose, I attach:

- self-declaration with previous exams, including the number of credits and the field of study (for credits obtained in an Italian institution);
- transcript of records or exams certificate (for credits obtained in an international institution);
- the detailed programmes of previous studies (if not graduated at Iuav).

I also declare that, pursuant to art.13 of EU Regulation 2016/679 (General Data Protection Regulation), I am aware that the personal data collected will be exclusively processed within the procedure for which I am applying, as it is specified at <http://www.iuav.it/PRIVACY/>

Place, date

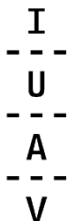

Signature

This Form, together with its annexes, shall be:

- uploaded online during the application procedure as required by the university's call for application of the study programme

or

- delivered to the protocol office within 5 working days from the finalization of their enrolment as indicated by the university's call for application of the study programme

It should be remembered that the **withdrawal of studies** implies the conclusion of the career and the loss of the legal value of the examinations. It is an irrevocable act, so those who have given up their studies **will not be able to obtain validation of their university career.**
